Per Your request, we are pleased to relay our perspective on Your performance in the supply and logistics of material requirements for the above Projects.

AEGIS has performed in a professional manner and has completed the work in a timely fashion and in exact accordance with specifications and terms of Contract.

Additionally, we would like to state that throughout the duration of the Contract, and our association with Your Management, we have had no cause for complaint. Your staff and Company in general have always shown a spirit of cooperation with our staff and have carried out the work to our satisfaction.

We shall be happy to collaborate with AEGIS on similar projects should the opportunity arise in the near future.

Yours Faithfully.
