

Project Profile

Project name : Iraqi Armed Forces Battalion Sets
W56HZV-04-D-0181

Project location : Iraq (four military bases)

Client : ANHAM

Contract value : \$259,000,000

Two year, \$259,000,000 contract was awarded to ANHAM JV on 25 May 20 for procurement and delivery of Battalion Sets for the New Iraqi Army. As part of the joint venture, AIS was responsible for the procurement of all material and equipment. During the bid stage, AIS conducted an aggressive worldwide search for the best sources of each item in the contract. During the course of the contract, delivery dates were met for each phase of the work. Delivery sites included bases in Tadj, Al Kasik, Kirkush and An Numaniyah.
