

Project Profile

Project name : Heavy & Medium Wheeled Vehicles for the New Iraq Army
DABV01-04-C-0063

Project location : Tadji, Iraq

Client : NourUSA

Contract value : \$9,880,000

Supply and deliver 416 Medium wheeled vehicles and 356 Heavy wheeled vehicles including spare parts. Vehicles were procured in Russia and delivered to the military base in Tadji. Project award date was 27 April 2004 and was substantially completed in six months. Medium wheeled vehicles were delivered by air and the heavy wheeled vehicles were shipped by sea to Turkey, driven to the AIS staging area at the Iraq border and convoyed to Tadji.
